CARPENTER MEMORIAL LIBRARY  
ANNUAL REPORT 1986

Handsome signs for the Library, showing the hours of opening and the way to the Jenkins Room have been freshly painted, and hung outside. The Jenkins Room continues in wide uses, proving to be a much-needed facility for area groups and organizations.

The Library was proud to sponsor two displays of work by local artists, Andrea Robbins and Gene Matras. Both of these attracted favorable attention from many viewers. We are always happy to consider suitable collections or displays from area residents, so please contact the Librarian if you wish to share your work or hobby with others.

In cooperation with the Pittsfield Area Arts Council, The Little Red Wagon (from U.N.H.) returned to Drake Field in August. More than one hundred children came to enjoy the fun.

A Story Time was initiated in the fall for preschoolers, with mothers kindly volunteering as Story-Tellers. This series, which is open to all 3-5 year olds has proved most popular and has sustained an average weekly attendance of 12.

By providing copier service, a free paperback exchange and making I.R.S. forms and information available to the public. We continue to attempt to extend Library service to the entire community.

"There is more treasure in books than in all the pirates' loot on Treasure Island... and best of all, you can enjoy these riches every day of your life."

REPORT OF TOWN FOREST FIRE WARDEN  
AND  
STATE FOREST RANGER

Between July 1985 and June 1986, we experienced fewer fires than normal. The two leading causes of forest fires were again children and fires kindled without written permission of a Forest Fire Warden. Both causes are preventable, but only with your help.

Please help our Town and State Forest Fire officials with Forest Fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of state Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden.

If you own forest land, you became responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

FIRE DEPARTMENT REPORT

During 1986 the Fire Department responded to 284 calls, a 10% decrease from 1985, but it sure didn't seem like any less. 151 or 53% of these calls were for medical aid. Of the 18 member Towns of the Capital Area Mutual Aid Fire Compact, only 4 (including Concord) responded to more calls than we did during 1986. A further breakdown of these calls is provided later in this report.

Three civilian fatalities and 4 civilian injuries occurred during the year. The first in a number of years for Pittsfield. All as a result of a single fire. This should serve as a reminder to all of us. How important it is to have smoke detectors and fire extinguishers operable and properly installed in every home.

Herb Emerson retired from the Fire Department after many years of dedicated service. He did however agree to accept the appointment of Forest Fire Warden and continues to benefit the Fire Department as well as the Town of Pittsfield from that position. Best wishes Herb!

The lack of members that work in or near Town that are available to respond to calls during the day continues to be a problem. A major daytime fire would tax our resources and could prove disastrous. We hope this never happens. Thank you to all the employers who allow their employees to leave work to respond to calls. We couldn't do it without them or you!

The Fire Department placed into service a newer ladder truck which was purchased with funds raised by the members. This truck, a 1957 Seagraves with an 85 foot ladder has proven to be much more reliable and easier to use than the previous one which was sold to the Andover Maine Fire Department. The members spent several hours training this year, many of them with the new ladder.

The members reinstated the practice of testing fire alarm boxes. Several serious problems were found which caused a major portion of the system to be out of operation. Arrangements were made to have as many problems corrected as possible with the money that was budgeted, but in order to finish the project more money will be need to be provided by the Town.

I'd like to thank the members of the Fire Department for all their efforts throughout the year. A job well done by a group of hard-working people! Also thank you to all the members of the community who have supported us in one way or another.

Respectfully submitted,  
Chief Douglas N. Stevens

PITTSFIELD POLICE DEPARTMENT

The year of 1986 has ended with some regret if only for the fact that for the Police Department it has been a good year.

This year the Town has answered 9,132 calls either by Merrimack County Dispatch or from this office by means of the new emergency phone number of 435-7211, which was installed late in the year of 1985.

As you can well imagine this takes many man hours, but one must expect this from a growing suburban Town such as Pittsfield. However, the calls and complaints are still down from the year of 1985, I contribute this to high visibility patrols in the Town.

The crimes against persons have decreased, however, the crimes against property has increased, this was mainly due to a few out of Town juveniles imported to the Town of Pittsfield.

For the 5th straight year the Town has no highway accidents which were fatal and the accident rate was also down. The motor vehicle summons were up however the D.W.I. arrests were down. I believe that the public is finally becoming aware of the D.W.I. problems. Perhaps, our publicity on radio and television has worked.

For the taxpayer whom may have called and did not receive a proper response to there complaint, I must take the responsibility and apologize, this is a problem which will be corrected in the future.

The year of 1986 has brought some change in personnel. Edward Blais is no longer with our department, he now works for the Town of Canterbury. To replace Ed, the Selectmen have hired David St.Clair as a full time officer.

I would like to take this opportunity to thank all the residence of the Town of Pittsfield for taking there time to make our job easier as police officers.

Last but no least please remember to see a crime and not report it is a crime.

SELECTMEN'S REPORT

There have been major changes in Town Government. Our new Town Administrative Assistant is Marguerite Ford of Belmont, New Hampshire. The new Road Agent is George Bachelder of Pittsfield.

For the first time in many years, the 1986 Town Meeting was held on a Saturday afternoon and brought out a large number of voters.

The Pittsfield District Court is now housed in the Peterson-Cram American Legion Post and has a new clerk, Catherine Edney.

The appointments of Selectmen Carson to the Budget Committee; Bouchard on the Incinerator and Town Hall Study Committee; and Fraser on the Planning Board, seemed to work out well.

Cases of lead poisoning were confirmed. A series of meetings with Selectmen Fraser, members of the state Department of Public Health, a local physician, and the Health Officer were held. As a result, legislation has been introduced by Representative Fraser to tighten up the lead laws.

The old Town Garage was disposed of at Public Auction for \$27,500.00.

The new Salt Shed was erected on the site of the new Town Garage.

The Selectmen were able to restore the older police car with an engine, donated anonymously, we now have two (2) functioning vehicles.

A cooperative effort between the Town and the Pittsfield Rotary Club continues to reflect dramatic improvements in the Town Pool facility.

Paving of the sidewalks on Catamount Street is not complete and hopefully will be finished satisfactorily in the spring.

Berry Avenue has been resurfaced.

The Town purchased the "Red" truck from retiring Gordon Foss for \$8,000.00.

The issue of the sale of the Town Hall (Quinzani's) has not as yet been resolved but now seems to be headed toward a final solution.

Respectfully submitted,  
Selectmen  
Leo W. Fraser  
Floyd J. Carson  
Hervey E. Bouchard

P.S. Outgoing Selectmen, Leo W. Fraser, wishes to take this opportunity to thank the citizens of Pittsfield for the opportunity to serve for the past six years.

A special thanks to Town Moderator, Henry Stapleton; Sol Buatti; Selectmen Joe Carson and Hervey Bouchard; former Administrative Assistant Mark Fraser; and present Administrative Assistant, Marguerite Ford; Town office secretary, Shelley Johnson; Chief of Police, David Greenwood; former Road Agent, Gordon Foss; present Road Agent, George Bachelder; Manager of the Wastewater Plant, Chris Hipkiss; Town Clerk/Tax Collector, Liz Hast; A special thanks to the volunteers such as Fire Chief, Doug Stevens and the Fire and Rescue Squad; members of the Sewer Committee; past and present members of the Planning Board; Health Officer, Steve Davis; the Town Administration Study Committee; The Supervisors of the Checklist; and all other citizens who volunteered their services.

To all of them I am grateful for their help and assistance.

REPORT OF THE TOWN HALL FACILITY  
STUDY COMMITTEE

This Committee was charged by the 1986 Pittsfield Town Meeting (Article 4) "to review and recommend alternatives and sites for Municipal Offices and Facilities".

While meeting bi-monthly from May to November the Committee considered and eliminated eight possible sites and/or facilities. Although a notice was published for two consecutive weeks in the Suncook Valley Sun requesting suggestions and input from Town voters, only one was received; therefore, this Committee was forced to rely completely on its own research and opinions.

The 1986 Town Meeting voted a budget of \$14,000.00 for use by the Committee, but said funds were disallowed by the Department of Revenue, resulting in -0- funds for us to work with.

At this time we would like to thank R.C. Foss and his staff for their valuable time and services. After determining that new construction would be the most feasible alternative to the present facility, Mr. Foss worked closely with the Committee to prepare conceptual drawings for a new Town Hall.

The Committee recommends the following:

- A. Consider and eliminate 8 possible sites and/or facilities
  - 1. Main Street Town Hall - renovation not cost feasible
  - 2. Grammar/Elementary School - not available for 5 years
  - 3. P.S.N.H. Property - not available
  - 4. Town Common - site too small, compromise of integrity of scenery
  - 5. Town garage - unsatisfactory location (parking, machinery, salt, etc.)
  - 6. J. Brewster Property - too expensive for land only (\$190,000) and building not handicap accessible
  - 7. J. Golding Property - too expensive for uncleared land (\$100,000)
  - 8. Webber's Corner - not available, sales contract pending
- B. Most feasible option - new construction of split-level building (7,560 sq. ft.)
- C. Best possible site - Berry Park
  - 1. Town already owns land
  - 2. Centrally located
  - 3. Site conducive to proposed construction
  - 4. Sufficient acreage (1.9-A.)
- D. Estimated cost, using National Average for Municipal Buildings, R.S. Means Building Guide.

1. ground level	\$50.70	(low cost)	\$191,646	(total)	\$345,492
sub-level	40.70		153,846		
2. ground level	\$63.70	(med cost)	\$240,786	(total)	\$443,772
sub-level	53.70		202,986		
3. ground level	\$83.40	(high cost)	\$315,252	(total)	\$592,704
	73.40		277,452		

Report of Study Committee continued

E. Committee suggest that Town ask for Design/Build bid for new construction.

F. Comparative Costs: Main Street Town Hall - \$600,000 for total renovation  
Quinzani Building - \$350,792 for purchase & complete renovation

Respectfully submitted,

Steven Davis
